Dear Gary:

This letter is in follow up to our email correspondences dated February 21, 23, March 18, et. seq. culminating on April 23, 2008. As we discussed, we concur that our representation of Vivato Networks Holdings, LLC has come to a diversion point. At this point in time, we are unable to provide document review and continued prosecution of the above pending Applications.

This letter serves as a formal notification that Brooks, Cameron & Huebsch, PLLC is discontinuing legal representation of the above Vivato Networks Holdings, LLC matters. The discontinuation of legal representation on these matters are effective immediately. This formal notice is intended to evidence our good faith effort to avoid any misunderstandings as to the disposition of your pending patent applications. It further affords you time to deliver these files to another office should you elect to do so as NO actions or responses have yet been filed to the outstanding Office Actions identified on enclosed Appendix A.

In view of pending Patent Reform currently in legislation before Congress, we recommend that Vivato Networks Holdings, LLC consult with other patent counsel regarding your pending application. Vivato Networks Holdings, LLC is responsible for effecting a change of correspondence address with the USPTO and, should you choose other outside counsel, will additionally need to effectuate a new power of attorney with the same.
